**Dr. R.K. Mishra**  
MBBS, MS, MRCS, Dip. LAP  
FICRS, FIMSA

## COURSE DIRECTOR :

- Chairman, World Laparoscopy Hospital, Gurgaon, India
- First University Qualified Master Minimal Access Surgeon of India (M.MAS)
- Editor in Chief, World Journal of Laparoscopic Surgery (WJOLS)
- General Secretary, World Association of Laparoscopic Surgeon (WALS)
- General Secretary, International College of Robotic Surgeons (ICRS)
- Member, European Association for Endoscopic Surgery (EAES)
- Member, European Association for Transluminal Surgery (EATS)
- Member, Society of American Gastrointestinal and Endoscopic Surgeons (SAGES)
- Member, Society of Laparoendoscopic Surgeons (SLS)
- Member, Society of Robotic Surgery (SRS)
- Member, Clinical Robotic Surgery Association (CRSA)
- Fellow of International Medical Sciences Academy (IMSA)
- Member, Indian Association of Gastrointestinal Endosurgeons (IAGES)
- Member, Association of Surgeons of India (ASI)
- Member, Indian Medical Association (IMA)

**Dr. R. K. Mishra** is among the select few to have been awarded the Master in Minimal Access Surgery degree by Sir James Whyte Black, Nobel Laureate in Medicine (1988), and one of the most esteemed Chancellors in the history of the University of Dundee, United Kingdom. After excelling in laparoscopic surgery, Dr. Mishra further honed his expertise in robotic surgery at Harvard Medical School, Boston, USA. Upon returning to India in 2001, he joined Indraprastha Apollo Hospital, New Delhi. Recognizing the commercialization of inadequately structured laparoscopic training programs—often limited to just 2 to 4 days and driven by the laparoscopic instrument industry—he identified a critical gap in quality education. As the first qualified Master in Minimal Access Surgery, Dr. Mishra took the initiative to establish comprehensive, high-standard training programs in Minimal Access Surgery, ensuring that surgeons receive in-depth, skill-focused education in the field.

**Dr. R. K. Mishra's** approach to laparoscopic training is unparalleled worldwide, earning recognition from leading international organizations in minimal access surgery. His vision demonstrated that high-quality, hands-on laparoscopic training for both young and practicing surgeons is achievable when like-minded professionals collaborate toward a common goal. Dr. Mishra firmly believes that to build a strong community of skilled Minimal Access Surgeons, training must begin early in their careers. His unwavering dedication to surgical education has established World Laparoscopy Hospital as a globally recognized center of excellence in minimal access surgery.

**Dr. R. K. Mishra** is a distinguished professor of laparoscopic and robotic surgery with over two decades of experience in the field. He has trained more than 11,000 surgeons and gynecologists from over 108 countries, making significant contributions to the advancement of minimally invasive surgical techniques. Dr. Mishra's expertise extends to both laparoscopic and da Vinci robotic surgery, and he has played a pivotal role in the development of specialized university programs. His initiative in establishing a unique academic curriculum began at Ninewells Hospital and Medical School, UK, in collaboration with Professor Sir Alfred Cuschieri. He holds a Diploma in Laparoscopic Surgery from the University of Strasbourg, France, and a Master's degree in Minimal Access Surgery (M.MAS) from the University of Dundee, United Kingdom. During his tenure in the UK, Dr. Mishra pioneered the optimum shadow-casting illumination technique, significantly enhancing task performance in laparoscopic surgery. His groundbreaking research in this area is now utilized by eleven laparoscopic instrument manufacturers to develop ideal shadow-casting telescopes. This innovative work was published in the Archives of Surgery, further cementing his contributions to the field of minimally invasive surgery.

# DEDICATED EXPERIMENTAL OPERATIONAL THEATRE

The experimental operating room at [WORLD LAPAROSCOPY HOSPITAL](#) training center is a unique teaching unit comprising 25 HD experimental surgical working stations linked by a high-speed image transmission system. We take only 50 students in one batch so that they can work comfortably. Each working station is composed of an operating table, a digital laparoscopic camera coupled with a 250W LED cold light source, broadband thermal insufflators, high frequency electro surgical generator and a vacuum suction-irrigation system. Each station features 5 and 10 millimeter optics with 0° and 30° view angles telescope.

Our lecture theatre is linked by an interactive multimedia teaching system with high resolution Dual HD Projector, which displays different kind of images, videos, such as external views using a camera incorporated in socialistic, endoscopic views of the chief expert's table and images from a multimedia computer presenting all surgical procedures in laparoscopic surgery.

Surgical dress is provided at the time of experiment and O.T. exposure. In order to comply with real surgical conditions, participants are assisted by a theatre nurse. In addition, an expert laparoscopic surgeon supervises operating tables to facilitate learning acquisition.

There will be extensive didactic session with detailed instructions followed by a supervised intensive, Hands-On session in our state-of-the-art skills laboratory with Harmonic Scalpel, Ligasure, Monopolar and Bipolar. The participant will first complete a structured curriculum on our virtual laparoscopy simulator designed to perfect depth perception, eye-hand coordination of dominant and non-dominant hand skills. The participant will then be instructed on the various suturing as well as intra-corporeal and extra-corporeal knot tying techniques including regular needles and Endostitch with ample time to practice in our state-of-the-art skills laboratory until proficiency is attained on animate.

Laparoscopy Program as well as exposure to endoscopic stapling devices, hand assisted laparoscopic surgery, laparoscopic vascular control techniques in all specialties, laparoscopic bowel division and anastomosis is also covered in the training programme. This course includes a half-day hands-on training in our animal lab, which can be tailored to the surgeon's particular needs. The programme is best suited for the surgeons, gynaecologists and urologists with very limited laparoscopic experience who wishes to start performing a certain laparoscopic procedure and wishes to have an intense individualized training experience.

# Fellowship in Minimal Access Surgery

University Recognized Fellowship in Minimal Access Surgery (F. MAS) Course  
for General Surgeons, Urologists & Gynaecologists

**Fellowship in Laparoscopy:** Starting Date: 1st of every month Location: World Laparoscopy Hospital, Gurugram, Delhi, India

**Fellowship Duration:** 14-day hands-on comprehensive university-recognized course in Minimal Access Surgery

**Certification and Accreditation:** The fellowship certificate will be awarded by a government-approved university recognized by the University Grants Commission (UGC), a statutory body under the Department of Higher Education, Ministry of Education, Government of India. This fellowship is structured around an examination, requiring candidates to pass a university-level test to earn the degree. Our certificate holds international recognition and complies with the UNESCO Global Convention on the Recognition of Qualifications Concerning Higher Education (GC), a treaty designed to standardize the global evaluation and acceptance of academic credentials.

**Hours of Hands-On Training:** Rigorous daily 9-hour didactic sessions, including experimental lab work and real operation theatre exposure.

**Post-Course Mentorship:** World Laparoscopy Hospital stands alone as the only institute globally offering free study materials valued at \$3,000, encompassing thousands of videos, books, and articles. Furthermore, every trainee benefits from a complimentary ₹10 lakh indemnity insurance policy by Apex Insurance Consultant Limited (AICL), providing essential financial security as they embark on their laparoscopic surgery practice without medicolegal concerns.

**Specialty:** For General Surgeon, Gynecologist, Urologist and Pediatric Surgeon

**Course Director and Chief Trainer:** Prof. R.K. Mishra, Prof. Steven D Wexner

## **Fellowship Course Fee:**

For Indian Doctors: Rs 1,55,000 (includes study material, working lunch, lab expenses, OT dress, and local transport)

For Overseas Doctors: \$4,200 USD (includes study material, working lunch, lab expenses, OT dress, and local transport)

A registration fee of Rs 5,000 is required at the time of application. The remaining course fee is due on the first day of the course.

**Location:** World Laparoscopy Hospital, DLF Phase II, Cyber City, Gurgaon, NCR Delhi, India

## **Accommodation:**

At Ladies Hostel (WLH premises): Rs 1,500 per day

At Pacific Hotel (owned by WLH): Rs 2,200 per day

## **Award of F.MAS**

Certificate of Fellowship in Minimal Access Surgery and CME accreditation training will be given after objective written evaluation on the last day of training from World Association of Laparoscopic Surgeons (WALS).

# Fellowship in Minimal Access Surgery

University Recognized Fellowship in Minimal Access Surgery (F. MAS) Course  
for General Surgeons, Urologists & Gynaecologists

## Surgeon should be competent to perform following surgery after completion of F. MAS

- ✓ Diagnostic Laparoscopy, Diagnostic Thoracoscopy Laparoscopic
- ✓ Cholecystectomy Laparoscopic
- ✓ Appendicectomy Laparoscopic Repair of Inguinal Hernia
- ✓ Laparoscopic Repair of Hiatal Hernia
- ✓ Laparoscopic Repair of Para umbilical Hernia
- ✓ Laparoscopic Repair of Incisional Hernia
- ✓ Laparoscopic Repair of Duodenal Perforation
- ✓ Techniques to do laparoscopy with previous abdominal scar
- ✓ Procedures for Prolapse and Piles
- ✓ Suturing and Knotting of any visceral injury
- ✓ Simple Thoracoscopic Procedures
- ✓ Laparoscopic Management of Undescended Testes
- ✓ Laparoscopic Management of Varicocele
- ✓ Retroperitoneoscopic Nephrectomy
- ✓ Retroperitoneoscopic Ureterolithotomy

## Gynaecologists should be competent to perform following surgery after completion of F. MAS

- ✓ Diagnostic Laparoscopy and Laparoscopic Sterilization
- ✓ Laparoscopic Management of Ovarian Cyst
- ✓ Laparoscopic Salpingo Oophorectomy
- ✓ Laparoscopic Management of Tubal Pregnancy
- ✓ Laparoscopic Management of Stress Incontinence
- ✓ Laparoscopic Assisted Vaginal Hysterectomy
- ✓ Laparoscopic Total Hysterectomy Supracervical
- ✓ Laparoscopic Hysterectomy
- ✓ Laparoscopic Re-canalization Surgery
- ✓ Diagnostic Hysteroscopy

# Integrated Fellowship in Minimal Access Surgery and Diploma in Minimal Access Surgery (F.MAS+D.MAS)

UNIVERSITY RECOGNIZED INTEGRATED FELLOWSHIP IN MINIMAL ACCESS SURGERY AND DIPLOMA IN MINIMAL ACCESS SURGERY (F.MAS + D.MAS) COURSE FOR GENERAL SURGEONS, UROLOGISTS AND GYNAECOLOGISTS  
**Internationally Recognised Programme**

**Fellowship and Diploma in Laparoscopy:** Starting Date: 1st of every month Location: World Laparoscopy Hospital, Gurugram, Delhi, India

**Fellowship and Diploma Duration:** 3-week Integrated Fellowship and Diploma in Minimal Access Surgery Course (F.MAS + D.MAS)

**Certification and Accreditation:** The Fellowship certificate will be awarded by a government-approved university recognized by the University Grants Commission (UGC), a statutory body under the Department of Higher Education, Ministry of Education, Government of India. The fellowship program includes a structured examination, requiring candidates to pass a university-level test to earn the degree. Our certificate holds international recognition and complies with the UNESCO Global Convention on the Recognition of Qualifications Concerning Higher Education (GC), a treaty designed to standardize the global evaluation and acceptance of academic credentials.

**Hours of Hands-On Training:** The laparoscopic training program includes rigorous daily 9-hour didactic sessions, complemented by hands-on experience in an experimental lab and real operation theatre exposure. Post-Course Mentorship: World Laparoscopy Hospital is the only institute worldwide that provides free study materials worth \$3,000, including thousands of videos, books, and articles. Additionally, all trainees receive complimentary ₹10 lakh indemnity insurance from Apex Insurance Consultant Limited (AICL), ensuring financial protection as they begin their laparoscopic or robotic surgery practice free from medicolegal risks.

**Speciality:** This laparoscopic course is designed for General Surgeons, Gynecologists, Urologists, and Pediatric Surgeons.

Course Director and Chief Trainer: Prof. R.K. Mishra, Prof. Steven D Wexner

**Fellowship and Diploma Course Fee:**

Fee For Indian Doctors: Rs 2,00,000 (includes study material, working lunch, lab expenses, OT dress, and local transport)

Fee For Overseas Doctors: \$6,000 USD (includes study material, working lunch, lab expenses, OT dress, and local transport)

**Location:** World Laparoscopy Hospital, DLF Phase II, Cyber City, Gurgaon, NCR Delhi, India

**Accommodation:**

At Ladies Hostel (WLH premises): Rs 1,500 per day

At Pacific Hotel (owned by WLH): Rs 2,200 per day

The F.MAS + D.MAS Programme is more advanced and comprehensive than the F.MAS programme. It is ideal for surgeons and gynaecologists who are totally new to the concept of laparoscopic surgery. The programme has yield satisfactory response from surgeons and gynaecologists, many of whom recommend about our unique programme in their country. In the initial 2 weeks, it comprises of the core basic course (common with the F.MAS course), followed by ADVANCED minimal access surgery procedures in the latter one week.

Candidates will be able to observe and assist minimal access surgery on a regular basis. This would be also facilitated by utilizing the theatre link for regular observation which will be timetabled and supervised.

## **During F.MAS + D.MAS course, Surgeons and Urologist should be able to perform the following laparoscopic surgeries:**

### **First and Second Week of Laparoscopic Course for Surgeons and Urologist:**

- ✓ *Hands-on training in laparoscopic suturing and knotting techniques*
- ✓ *Laparoscopic Cholecystectomy*
- ✓ *Laparoscopic Appendectomy*
- ✓ *Laparoscopic Repair of Inguinal Hernia (TAPP and TEP)*
- ✓ *Laparoscopic Repair of Para umbilical Hernia*
- ✓ *Laparoscopic Repair of Incisional Hernia*
- ✓ *Laparoscopic Repair of Duodenal Perforation*
- ✓ *Laparoscopic Varicocelelectomy*
- ✓ *Laparoscopic Nephrectomy*
- ✓ *Laparoscopic Orcheopexy*

### **Third Week of Laparoscopic Course for Surgeons and Urologist:**

- ✓ *Laparoscopic Splenectomy*
- ✓ *Laparoscopic Fundoplication, Hellers Myotomy*
- ✓ *Laparoscopic Adrenalectomy*
- ✓ *Laparoscopic Mini Gastric Bypass and Roux En Y Bypass*
- ✓ *Laparoscopic Sleeve Gastrectomy and Gastric Plication*
- ✓ *Intestinal Anastomosis & Thoracoscopy*
- ✓ *Laparoscopic low anterior resection for rectal cancer*
- ✓ *Laparoscopic Sigmoidectomy For Benign and Malignant Disease*
- ✓ *Laparoscopic Repair of Rectal Prolapse*
- ✓ *Thoracoscopic Procedures like Sympathectomy, Thoracoscopic Hellers Myotomy etc*
- ✓ *Laparoscopic Repair of Hiatus Hernia*
- ✓ *Laparoscopic Management of Hydatid Cyst*
- ✓ *Laparoscopic Exploration of CBD*
- ✓ *Laparoscopic Pyeloplasty*
- ✓ *Retroperitoneoscopic Nephrectomy and Ureterolithotomy*
- ✓ *Simple Single Incision Laparoscopic Surgery*
- ✓ *Procedure for Prolapse and Haemorrhoid (Stapled Haemorrhoidectomy)*
- ✓ *Laparoscopic Vesico-Vaginal Fistula Repair*
- ✓ *Hands On Upper GI Endoscopy*
- ✓ *Hands On Simple da Vinci Robotic Surgeries*

## **During F.MAS + D.MAS course, gynecologists should be able to perform the following laparoscopic surgeries:**

### **First and Second Week of Laparoscopic Training Course for Gynecologist:**

- ✓ *Hands-on training in laparoscopic suturing and knotting techniques*
- ✓ *Diagnostic Laparoscopy and Hysteroscopy*
- ✓ *Pelvic Anatomy Exploration Technique*
- ✓ *Laparoscopic Sterilization and Recanalization*
- ✓ *Laparoscopic Management of Ovarian Cyst*
- ✓ *Laparoscopic Salpingo-Oophorectomy*
- ✓ *Laparoscopic Management of Tubal Pregnancy*
- ✓ *Laparoscopic Assisted Vaginal Hysterectomy*
- ✓ *Laparoscopic Total Hysterectomy*
- ✓ *Supracervical Laparoscopic Hysterectomy*
- ✓ *Laparoscopic Myomectomy*

### **Third Week of Laparoscopic Training Course for Gynecologist:**

- ✓ *Laparoscopic Cervical Circlage*
- ✓ *Supracervical Laparoscopic Hysterectomy*
- ✓ *Laparoscopic Burch Suspension*
- ✓ *Laparoscopic Intestinal and Tubal Anastomosis*
- ✓ *Laparoscopic Sacro-Colpopexy*
- ✓ *Laparoscopic Pectopexy Surgery*
- ✓ *Radical Laparoscopic Hysterectomy*
- ✓ *TVT and TOT & TVTO for Stress Urinary Incontinence*
- ✓ *Laparoscopic Vesico-Vaginal Fistula Repair*
- ✓ *Laparoscopic Lymphadenectomy for Gynecological Malignancies*
- ✓ *Laparoscopic uterine nerve ablation (LUNA) for chronic pelvic pain*
- ✓ *Laparoscopic Tubal Reversal Surgery*
- ✓ *Laparoscopic Management of severe Endometriosis*
- ✓ *Operative Hysteroscopy (Submucous Myomectomy, Metroplasty & TCRE)*
- ✓ *Hands On Simple da Vinci Robotic Surgery*

# COMPARISON BETWEEN F.MAS AND INTEGRATED F.MAS + D.MAS

## Procedures for Surgeon and Urologist

# REGISTRATION AND PAYMENT

## PAYMENT OPTIONS

(1) **PAYMENT BY CREDIT CARD** in [laparoscopyhospital.com](http://laparoscopyhospital.com)

Our Payment Gateway is on secured server has 128 bit security and CVM verification of card account.

Verified by Visa and Master Card Secure Code security. All major credit cards processed.

(2) **BY PAYMENT DRAFT**

DRAFT SHOULD BE IN FAVOUR OF "LAPAROSCOPY HOSPITAL" PAYABLE AT "GURGAON" AC/NO: 066010200013217, AXIS BANK, UDYOG VIHAR BRANCH, GURGAON

(3) **PAYMENT BY WIRE TRANSFER**

WIRE TRANSFER SHOULD BE IN FAVOUR OF "LAPAROSCOPY HOSPITAL" PAYABLE AT "GURGAON" AC/NO: 066010200013217, AXIS BANK, UDYOG VIHAR BRANCH, GURGAON

IFSC CODE: UTIB0001527 (USED FOR RTGS AND NEFT TRANSACTIONS), BRANCH CODE: LAST SIX CHARACTERS OF IFSC CODE REPRESENT BRANCH CODE. MICR CODE: 110211106

**ADDRESS OF BANK:**

GROUND FLOOR, ENKAY TOWER, VANIJYA NIKUNJ, UDYOG VIHAR PHASE -5,  
NH-8, GURGAON - 122016, HARYANA, INDIA

CONTACT NUMBER OF BANK: +91-99998 64448

(4) **PAYMENT BY GOOGLE PAY / UPI**

(5) **PAYMENT BY PAYPAL**

(6) **PAYMENT BY WESTERN UNION MONEY TRANSFER** IN SOME OF THE COUNTRY THE CREDIT CARD AND WIRE TRANSFER FACILITY IS NOT THERE. IN

THIS CASE YOU CAN SEND THE INITIAL ADMISSION FEE BY WESTERN UNION MONEY TRANSFER

([www.westernunion.com/globalportal.asp](http://www.westernunion.com/globalportal.asp)).

PLEASE SEND BY THE NAME OF "SADHANA MISHRA" IF YOU ARE USING WESTERN UNION

# ACCOMMODATION IN PACIFIC HOTEL

For pleasant memorable stay of trainee doctors we have hostel accommodation available at very nominal cost. Gurgaon is one of the most expensive cities in India. Finding the right accommodation is very important for international doctors who come for "Hands On" Laparoscopic Training. Keeping the comfort and security of doctors in mind we have subsidized Doctor's Hostel. It is 3 Star facilities where you will feel valued and cared from the moment you arrive even alone or with your spouse or family. Please note that accommodation is reserved on first come first served basis and it is advised to reserve your room prior to arrival.

Tariff: 30 US Dollar/day or 2200 Rupees/day  
(including breakfast)

Address : Sector -15, Part –II, Gurgaon 122001.  
NCR Delhi, India.

Family Suite Room Available

## FACILITIES

- ❖ Dedicated for Doctors of World Laparoscopy Hospital
- ❖ Free Morning Tea, Breakfast and News Paper in room
- ❖ 24 hours In-Room Dining is an experience within the comfort and convenience of the guest room or suite
- ❖ Special Female waitress to attend female doctors and doctors who come with family
- ❖ Certified Islamic Halal Food is also available for Muslim Doctors
- ❖ Air-conditioning with individual temperature control
- ❖ Guest Lift to all floor including banquet and Restaurant
- ❖ Wooden flooring furnished with sofas
- ❖ Electronic safe and door locks
- ❖ Cupboard, luggage stand and attached changing room
- ❖ Dial telephone international call facility
- ❖ Executive work desk and study table
- ❖ 32" LCD HD TV
- ❖ 24 hour Hi-speed Wi-Fi internet access
- ❖ Well stocked mini-bar with freeze
- ❖ Tea/coffee maker
- ❖ Hair dryer
- ❖ Mineral water replenished on a daily basis
- ❖ Premium boutique toiletries and Deluxe
- ❖ Washroom with 24 hour hot and cold water
- ❖ Super Deluxe rooms are spacious with king size bed or twin beds
- ❖ Suite has two rooms with an area of 635 Sq. Ft. with balconies, drawing room.
- ❖ Doctors can do their own Laundry or can also avail the paid laundry service available in the hostel premises
- ❖ Pacific Lounge: - Beautifully designed Lounge with seating arrangement for 30 People where Tea, Coffee, Hard & Soft Beverages & Snacks can be served
- ❖ Continuous shuttle service facility to World Laparoscopy Hospital
- ❖ Safe & secure environment - 24 hours night vision CCTV surveillance of entry / exit & corridors (with recording)
- ❖ UPS facility with 24 hour Power Backup
- 24 Hour Security guard
- Easy access to Super Markets and Mall

# LADIES HOSTEL IN WLH PREMISES

For pleasant memorable stay of trainee doctors We offer a special accommodation arrangement exclusively for lady doctors within the premises of World Laparoscopy Hospital. The hostel is equipped with essential amenities and services, ensuring a comfortable and homely atmosphere. A dedicated female attendant is available for assistance. This facility operates on a first-come, first-served basis due to a limited number of rooms. The hostel maintains a safe and secure environment, strictly adhering to a no-smoking policy. Please note that accommodation is reserved on first come first served basis and it is advised to reserve your room prior to arrival.

Single Room: 1500 rupees/day  
Twin Sharing Room: Rs 1000 per day.  
(including breakfast)

Rooms in the Ladies Doctor Hostel at WLH are available on a first-come, first-served basis.

There is no provision for pre booking of room

## FACILITIES

- ❖ Dedicated for Lady Doctors of World Laparoscopy Hospital
- ❖ Free Morning Tea and Breakfast
- ❖ 24 hours In-Room Dining is an experience within the comfort and convenience of the guest room or suite
- ❖ Special Female waitress to attend female doctors and doctors who come with family

- ❖ Premium boutique toiletries and Deluxe Washroom with 24 hour hot and cold water
- ❖ Super Deluxe rooms are spacious with king size bed or twin beds
- ❖ Tea/coffee maker
- ❖ Hair dryer
- ❖ Mineral water replenished on a daily basis
- ❖ Doctors can do their own Laundry or can also avail the paid laundry service available in the hostel premises
- ❖ Safe & secure environment - 24 hours night vision CCTV surveillance of entry / exit & corridors (with recording)
- ❖ UPS facility with 24 hour Power
- ❖ Backup 24 Hour Security guard Easy access to Super Markets and Mall

# HOW TO PROCEED

## **Step 1: Fill the Online Application Form**

Select Your Course and Accommodation:

- » Fellowship in Minimal Access Surgery (F.MAS): 2-week course, starts 1st of each month.
- » Integrated Fellowship in Minimal Access Surgery & Diploma in Minimal Access Surgery (F.MAS, D.MAS): 3-week course, starts 1st of each month.
- » Fellowship in Upper & Lower GI Endoscopy (F. Endoscopy): 4-day course, starts 7th of each month
- » Fellowship in IVF (F. ART): 6-day course, starts 7th of each month.
- » Fellowship in Robotic Surgery (FICRS): 4-day course, starts 17th of each month

## **Step 2: Pay the Registration Fee**

You will receive an email on submission of admission form. Follow the link in email and pay the Registration fee.

## **Step 3: Receive Your Admission and Invitation Letter:**

You'll receive an admission letter maximum within 24 hours for processing visa or leave application.

## **STEP 4: Purchase Travel Ticket**

Purchase your travel tickets for Indira Gandhi International Airport, New Delhi.

## **Step 5: Apply for Visa to India if needed :**

Submit your Visitor Visa application at the nearest Indian Embassy.

# Application For Laparoscopy Training

## WORLD LAPAROSCOPY HOSPITAL

INTERNATIONALLY RECOGNISED BY WORLD ASSOCIATION OF LAPAROSCOPIC SURGEONS (WALS),
