MESSAGE FROM ORGANISING COMMITTEE

Dear Esteemed Colleagues,

We are delighted to extend an invitation to you for the 8th World Congress of World Association of Laparoscopic Surgeons on 8th & 9th February 2025 in Leela Ambience, Gurugram, India.

This year’s theme, “Recent Advances in Minimal Access Surgery and Robotic Surgery” highlights the ongoing innovations revolutionizing patient care and surgical techniques globally.

This congress is designed to be an academic and networking hub, thought-provoking panel discussions, and interactive workshops led by distinguished international and national faculty. From cutting-edge technologies to evolving clinical practices, every aspect of minimal access surgery will be explored in-depth, ensuring participants leave with actionable knowledge and fresh perspectives.

We invite you to contribute by sharing your expertise through research presentations and active discussions. Your participation is crucial in shaping the dialogue and advancing the field of laparoscopic surgery and gynaecology. From enriching scientific sessions to family entertainment and sightseeing tours this conference promises something for everyone.

We encourage you to register promptly and secure your participation in this conference.
